

## Council Planning Report – Item 9G

---

### **Proposed Textual Amendment – R.M. of Corman Park Zoning Bylaw – Interment Service Clarifications – Bylaw 50/16**

---

#### **Background:**

The purpose of this report is to propose a textual amendment to the R.M. of Corman Park Zoning Bylaw to replace the word internment with interment in any place it is found within the bylaw.

#### **Analysis:**

The issue we have in both the R.M. and Corman Park-Saskatoon Planning District Zoning Bylaws is related to our definition for Internment Service. The word internment is related to prison, captivity, etc. and the word should actually be interment which relates to burial, cemeteries, etc. The actual definition for Internment Services speaks to funeral homes, cemeteries, etc. so the word in the bylaws is incorrect.

A separate textual amendment is being considered for the Corman Park-Saskatoon Planning District Zoning Bylaw as it requires a recommendation from the District Planning Commission first in order to be considered by R.M. Council.

#### **Recommendation:**

*“That the R.M. Council give First Reading to Bylaw 50/16.”*

**RURAL MUNICIPALITY OF CORMAN PARK NO. 344**

**BYLAW 50/16**
